WELCOME TO THE OCTOBER 2016 TRARALGON FARMERS' MARKET

Thank you for your patience over recent markets. We believe we have a great set up now and we even have Eco-bags!

A chance of a shower or two, breezy and temps from 5°C to 15°C . This is Spring?

Have a good day - Fred & Geoff

CHANGES HAVE COME TO THE MARKET

Today is our 2nd' Market with the new plan it has not come easy. Many hours have been spent by Fred & Geoff trying to sort out all the problems that raised their head with the organizing the road closures and the new site layouts.

WE think that we have it right, but I'm sure that there will still be some minor problems. Please talk to Fred or Geoff if you have any concerns.

Please remember that all Marquees are to be on the roads not the grass and no pegs are allowed. Given the weather over the past weeks, they must have weights for safety reasons.

From today on, the site that you are in will be your permanent site with the occasional exception.

IMPORTANT REMINDER:

PLEASE, make sure you your site area is clean BEFORE you leave. If you brought it with you, you must take it away with you. The bins are generally for rubbish generated by the public.

DECEMBER 2016 MARKET

Twilight Market, 2pm Road Closed, 3pm Start, 8pm Finish, 9pm roads re-open.

ECO SHOPPING BAGS

Your patience has been rewarded.

The new bags are here and available immediately. A member of our team will do the rounds during the morning and let you have a few

STREATRADER, THE HEALTH DEPT., ETC.

Be aware that Latrobe City Health Dept. is quite keen to be proactive regarding all relevant rules and regulations and therefore their unannounced visits will not stop any time soon.

Please make sure you have with you copies of your Streatrader, Food Handling Permit, Insurance cover and any other relevant documentation.

In addition, Market management will keep an eye on the appropriate OH&S requirements for each stall and speak very sternly with you if you don't comply! That includes testing & tagging of electrical gear, compliance with gas regulations and appropriate weighting of marquees to prevent accident or injury to yourselves or the public

THANK YOU..

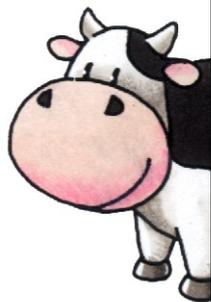

Thank you for your assistance and understanding in helping us with the last market.

I know some of you had some concerns on your location. These have now been looked at and some changes been made. Generally the feed back was positive.

We have had a largish A-Frame sign made up to direct customers attention to the car park area. In that area we now have Myrtle Grove, Harry Hoo, Corringale Proteas, Tambo Gourmet Foods,(coffee) Grand Ridge Brewery and Natural to Clean. At the entrance we have both of our Plant stalls., Kurinda Roses and Townsends.

Once again, a big thankyou to everyone.

My bed is a magical place where
 I suddenly remember everything
 I was supposed to do!

Children are great imitators, so
 give them something great to
 imitate.

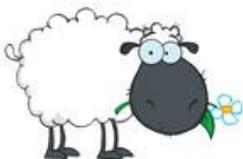

With great power comes a great electricity bill.
