

WELCOME TO THE DECEMBER 2016 TRARALGON FARMERS' MARKET

Well! Here we are at the end of another year. As we are on Victory Park today and rubbish bins are in short supply, **PLEASE** take your rubbish away with you.

It is expected that today will be dry; a top temperature this afternoon of about 30° with light breezes - Summer seems to be a bit timid this year.

Have a good day - Fred & Geoff

2016 IN REVIEW

December already! Where has the year gone?
This year has had its highs and lows but I think more highs making us a better market.

Unfortunately we lost Allan Vickery at the start of the year after a long illness - but for Allan, we wouldn't have this great market.

Then Don retired at the end of June and I took over the role of manager. The six months since then has been a rollercoaster for myself and the team.

The wet winter brought the state of our grassed area into question resulting in the market having to vacate and move onto the bitumen. This meant the closing of Kay Street and the relocation of a number of stalls to cope with the new layout. However, with the help of the market team and your help and patience we made it.

With the bad weather behind us I hope we can now look forward to a successful summer trading period.

Enjoy your day here in the beautiful Victory Park and thank you one and all for a great 2016.

Fred.

REMINDER

Rubbish bins are in short supply today so if you brought it - **YOU TAKE IT AWAY.**

WELCOME TO OUR NEW STALL HOLDERS

Our 2 newcomers on trial are with us again this month and if suitable will be slotted a space as they become available. They report they had a successful November and the variety they give can only make our great market even better.

Welcome again to:

Blueberry Lane Berries
Grand Ridge Organics

JANUARY MARKET

Just a reminder that next month we will be back in Kay Street.

The site you had in November is the site you can expect to occupy on a permanent basis. If in doubt, check our website to confirm.

ECO SHOPPING BAGS & FRIDGE CALENDARS

Eco Bags and Fridge calendars are now available and you can get supplies from the Lions BBQ area or see Fred or Geoff for delivery.

WELCOME BACK

Today we see the return, after a short absence, of **Glenmaggie Wines** and **Tarago Valley Organics** (ex Miranda Dale Dairy).

Welcome back ... we hope you have a great day.

Next Market - Saturday, 28th January 2017, 8am to 1pm

The Final Word!

Well it's that time of the year, so we wish you one and all a very merry Christmas and a safe and happy New Year ... we will see you all in 2017

By the way, if you have spare time, you may consider joining your local Lions Club. You will be able to give something back to your community and have fun...

Birthdays are good for your health. Studies have shown that people who have more birthdays, live longer.

We are all mature until someone brings out some bubble wrap.

Wi-Fi went down for five minutes so I had to talk to my family. They seem like nice people.
