WELCOME TO THE MARCH 2017 TRARALGON FARMERS' MARKET

Hopefully our market layout is now settled and everyone is enjoying the extra space and increased custom (our observation is that crowds are larger).

We are now in Autumn and the crazy Gippsland weather continues with today no different. A reasonable chance of a shower or two (really?) Light breezes and temps from 12°C to 26°C

Have a good day - Fred & the team

MARKET REPORT

Last month we had great weather and a bumper crowd. Jenny from Corringale Proteas was complaining that she had sold out by 10.30 am. On the down side Mojo Muesli has given the market away.

Red Back Chilli is back by popular demand as his customers were missing him.

The Breed street end of the market performed better last month. With the fairy floss stall we had people sitting on the lawn area so this month we have added G&E Fruit and Swig Coffee. We will also have tables and chairs on the lawn area.

Next month Pasta Shack will give it a trial run, and on the other side next to Meg Moo Macaron's we now have Little Red Bucket (Pasta) which should do well.

Keep in mind that we are open to all suggestions which could make our market even better.
