WELCOME TO THE JUNE 2017 TRARALGON FARMERS' MARKET

Here we are, midwinter, and the shortest day just behind us. While the forecast is a little ordinary, we hope you have a great day.

Now to the nitty gritty - Fog patches, good chance of showers, slight breezes with temps from 5° to 13°C !

Have a good day - Fred, Geoff & the team

WE ARE FINALISTS

*"You have shown **"Excellence in Customer Service"** by receiving nominations in the **Latrobe City People's Choice Awards 2017** in the **Most Popular Community Event** category".*

We have done it again; become a finalist in the People choice Awards. Well done to all stall holders and all Lions involved in the Market. The new layout of the market has made it more user friendly and is working well.

ANOTHER REMINDER ABOUT HOUSEKEEPING AND SAFETY

NO WEIGHTS NO STALL - YOU WILL BE ASKED TO TAKE YOUR MARQUEE DOWN. No excuses accepted!

All gas appliances must be checked for leaks etc. before use. All electrical leads must have current tags on them.

Welcome to Our New Stall Holders

This Month we have....

Inkredible Calamari - Site 28

Reminder

We can now park the front of the cars on the grass provided that the front wheels are parked on rubber mats. These mats need to be at least 1mtr long and the actual wheel is not to be on the grass at any time.

We need to manage the market area without doing any damage to the grass areas and this is a must with the cold wet weather coming. We have a few mats for loan only - see Fred or Geoff if you need them. **IT IS ULTIMATELY YOUR RESPONSIBILITY TO SUPPLY THEM. They need to be of solid rubber and at least 1m long.**

We still need to think as to who can do without their cars on site. The actual stall site is only 4mtrs vs average vehicle length of 6m.

TITBITS

We STILL have a number of outstanding stall renewals. TODAY PLEASE ... !!!

The 50 mile Market has announced that they have ceased trading at their sites in Morwell and Traralgon, due to the lack of stall holders and customers..

STALLHOLDERS PROFILE

The 350s blues band do a great job each month with their music and do it at no charge to us So please remember to support them ... if you ask them, they will advertise your stall - maybe offer a discount on your product for the next 10 minutes?

I hate it when I see an old person, then realise we went to secondary school together.

If things get better with age then I must be close to freakin' magnificent.

My doctor is concerned about my high blood pressure. I told him next time don't leave me sitting in the waiting room for two hours.
